'Great right now'

As summer is in full swing, we still have Secrett's glorious selection of tomatoes—El Santa, Santorange, Pink Beef, Sanmazano's, Elegance and our famous Tiger to name a few. Also our peas and broad beans are at their best. Our bunched beets have made a welcomed return—try our Golden ones! In true summer style we have all the delicious berries—strawberries, raspberries, blackberries and the welcomed addition of cherries and gooseberries. Sadly, the Great British asparagus season has finished, but will make a welcomed return next year.
